Tour of the Secret Passages

Price: 18 euros per person

Rooms exist inside Palazzo Vecchio where time seems to stand still and where it is easy for visitors to experience emotions from the past.

Since the year 2000 the Museum has restored these environments for public use and they can now be visited by small groups - a maximum of 12 - accompanied by expert guides.

The Stairway of the Duke of Athens, the Studiolo of Francesco I, the Tesoretto of Cosimo I, and the trusses of the ceiling of the Salone dei Cinquecento can now all be visited. Despite differing greatly one from the other, they allow a previously inaccessible and now far more penetrating glimpse of Palazzo Vecchio.
